

SAVE THE DATE: REGIONAL TRAININGS

With the passage of the California Foster Youth Sexual Health Education Act (SB 89), social workers, foster caregivers and judges must be trained to support healthy sexual development for foster youth.

As a member of the Los Angeles Reproductive Health Equity Project for Foster Youth (LA-RHEP), JBAY is working with Seneca Family of Agencies to develop a module that counties can use in their Resource Family pre-approval training to fulfill this mandate for caregivers.

Full-day regional trainings tailored to those who train caregivers will be hosted in two locations:

JULY 25, 2019

LOCATION:

El Camino College
16007 Crenshaw Blvd.
Torrance, CA 90506

AUGUST 8, 2019

LOCATION:

Seneca Family of
Agencies
6925 Chabot Rd.
Oakland, CA 94618

REGISTRATION WILL OPEN JUNE 1, 2019
