# EQUITY MADE REAL: PROMISING STRATEGIES FOR ADDRESSING COLLEGE STUDENT BASIC NEEDS

THURSDAY  
OCTOBER 29

1 PM- 2:30 PM

Basic needs centers on community college campuses are essential to supporting student persistence and academic success. During COVID-19, these centers have been a lifeline to many students, but basic needs centers are struggling to meet increased demand with fewer resources.

On October 29, 2020, from 1-2:30pm, please join John Burton Advocates for Youth and representatives from the California Community College Chancellor's Office and campus basic needs centers staff for a webinar on JBAY's new publication, Equity Made Real: Promising Strategies for Addressing College Student Basic Needs.

This webinar will highlight successful interventions and strategies, challenges, and make recommendations that support truly equitable access for all learners.
